Sir:

With regard to the remarks filed in the Amendment and Response to Office Action dated September 18, 2009, we have noticed a few typographical errors in some numbers set forth in the Remarks.

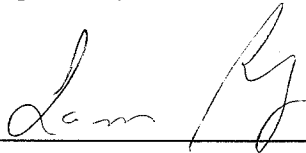

Specifically, on page 5, last paragraph, line 8, the number “1.5 mm” should be “1.8 mm”, and on page 6, third paragraph, line 1, the number “105 μ m” should be “150 μ m”.

These errors do not affect the ultimate calculations or the conclusions set forth in the Remarks.

No further amount is believed to be due; however, the Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account No. 14-0629.
